PD (1) 1 Harris' Fitzrovia Take A Chance. Nicely put together young dog with a lot to like but still with a lot of developing to do. Well proportioned head with good furnishings, Good length of neck sitting neatly into nicely laid shoulders. Nice overall shape with a good depth of body for his age. Nice hind quarters which he used well on the move.

JD (2) 1 Harris' Fitzrovia Gideons Way. Very much liked this dog and with a little more development I am sure he will have a very successful show career. Well furnished and proportioned head. Nicely balanced angulation both fore and rear, with good depth, spring and length of rib. Solid top and good under line. Moved well just needs more time to mature to challenge for top honours. 2 Bone's Fitzrovia Eric The Red. Nicely angulated with good bone but lacks the furnishings, head proportions and overall balance of the winner.

ND (1) 1 Bone's Fitzrovia Eric The Red.

GD (2) 1 Whiting's Navarro Del Fatalbecco At Cragvallie (Imp Ita). Balanced dog with good substance and overall shape. Nice forequarters angulation with a good depth and spring of rib carried well back. Good hindquarters with a good bend of stifle. In good coat with good head furnishings. 2 Bone's Fitzrovia Eric The Red.

LD (2) 1 Whitney's Enryb True Blue. A lovely dog to go over. Well proportioned head which is well furnished sitting neatly on good length of neck. Good forequarters, with a nice depth of rib carried well back. Hindquarters are strong and well angulated which he used to good effect as he moved well with drive. I was very happy to award him the RCC, and I am sure with a little more maturity he will soon gain his title. 2 Allison's Fitzrovia Gone With The Wind. Nicely proportioned head with a nice head eye. Would like slightly more fore and rear angulation but he has a good depth and spring of rib which is carried well back.

OD (3, 1) 1 Byrne's Sh Ch AldoZovolygi-Drotos Nador At Enryb JW ShCM (Imp Hun). A dog who is very well deserving of his title. Good head proportions which is well furnished. Good layback of shoulders with a correct return of upper arm. Good overall body shape with a good depth and spring of rib which is carried well back giving him a great under line. Good strong hindquarters with a good bend of stifle which he used to good effect as he moved with drive. Good coat and condition, an honour to award him the CC. 2 Deighton's Furlums Tavaszi. Another quality specimen with good overall shape but doesn't have the angulation of the winner which is to his detriment on the move.

PB (2) 1 Byrne's AldoZovolygi-Drotos Csermely At Enryb (Imp Hun). Nicely put together puppy who has a great overall shape. Feminine head which is well proportioned with nicely made forequarters angulation. Good depth of body for her age which is carried well back giving her a correct under line. Hindquarters are well developed and have a good bend of stifle. I was very pleased to award her BPIB. 2

Garden's Leiborschy Theano. Very much liked this bitch who is well put together. Like her overall shape and hind quarters angulation. Not the maturity of the winner but I am sure she will develop into a lovely specimen of the breed.

JB (3) 1 Edminson's Kisdon Happy Memories. I absolutely love her she has a lovely well proportioned head which is well furnished. Good length of neck leading to her well laid shoulders and correct return of upper arm. Good overall shape with a good depth of body and spring of rib for her age. Good hindquarters with a good bend of stifle which she used to great effect and she moved well reach and drive on the move. She is very outgoing and in the challenge her handler struggled to get the best out of her which cost her top honours today. 2 Byrne's Aldozovolgyi-Drotos Csermely At Enryb (Imp Hun). 3 Harris' Fitzrovia Amber Nectar.

NB (1) 1 Byrne's Aldozovolgyi-Drotos Csermely At Enryb (Imp Hun).

LB (4, 1) 1 Elders' Enryb Skye Blue. Beautifully made bitch with correct head proportions a lovely dark eye and good head furnishings. Love her length of neck and forequarters angulation. Super depth, spring and length of rib giving her a good under line. Good strong hindquarters with a good bend of stifle. Moved well with reach and drive with a good solid topline. In good coat and condition. It was a pleasure to award her the CC and BOB. 2 Holt's Maiashy Akori. Feminine bitch with a well proportioned head, lacks the shape of the winner and I would prefer a little more forequarters angulation. Good hindquarter angulation with a good bend of stifle. 3 Forster's Belatarr Venus.

OB (2) 1 Edminson's Sh Ch Kisdons Custom Made. This is a bitch that I have liked for quite some time and in this class she didn't disappoint. Good head neck and shoulder with a correct return of upper arm. Good depth and spring of rib which is carried well back giving her a good under line. Hindquarters are strong with a good bend of stifle. Moved well with good reach and drive covering the ground well. In the challenge with a change of runner she didn't quite perform to her best but she out moved the junior winner on the day to win the RCC. 2 Harris' Fitzrovia To Be A Pilgrim. Nice head and neck but I preferred the forequarters of the winner. Good length and depth of body with a good bend of stifle.

VB (1) 1 Deighton's Kisdons Attribute. Loved her head, neck and shoulder but I would like a little more length in body to help her to compete with the bitches winning top honours today. In good coat and condition for her age, moved well, BVIB.
