### HUNGARIAN WIREHAired VIZSLA

I would like to thank the exhibitors for their entries and send my condolences to Mrs Marion McAngus's family on her sad passing.

VD Two very different types here. 1 Belatarr North by Northwest ShCM ( Collier) BV 7 ½ years of age, well headed male who was showing well here, deep through the chest with plenty of substance, good bone and neat feet, correct length of loin, well ribbed with correct angles behind, moved soundly 2 Lanokk Szivos JW (Howard) 8 years darker coloured male. Preferred head and expression of winner here today, deep through the chest, well ribbed leading to a short loin, and would have preferred better tail carriage. Pleasing coat of correct texture. Moved well

LD (7) 1 Hosokter Tompa at Odinsmoke ( Thomas) dog of quality and balance, strong neck leading to well placed shoulders, ample bone and neat feet. Deep through chest, short in loin with strong quarters and well turned stifle, correct wire coat and moved with purpose. 2 Miadsc Cast A Spell (Summerfield) pleasing type, good head and coat, another good mover, unlucky to meet one in such good form 3 Fowlums Heath ( Sauro)

OD (4,1) 1st Ch Zoldmali Szeles Morganna JW (Imp Srb) (Newman) CC, I last judged this boy as a minor puppy and pleased to see he has matured on as expected. Masculine head without coarseness, pleasing expression with correct bite. Strong powerful neck and correct shoulders, well ribbed, correct coat and texture, well off for bone and substance standing on good feet. Moved well Sh Ch Tragus Fox Appeal ( Upton) Res CC, another quality dog, preferred the length of 1 today, pleasing head with correct furnishing, super texture to coat, well boned and correct shoulder placement, moved and shown well. 3 Zoldmali Lipton at Brecalde (Imp Hun) (Coxhead)

PB (3,1) Two very raw puppies. 1st Starshot Hawkeye (Busby) BP pleasing type, sweet feminine head with pleasing expression, well laid shoulders and deep chest for her age, correct length of loin and well angulated rear, correct texture to coat. 2 Goldpaw Five to Midnight ( Nokes), different type to the winner, pretty expression, well laid shoulders well bodied with correct coat, little straight behind moved ok

JB (1) 1st Morganna Anise (Newman) CC & BOB in my opinion this young bitch is full of quality, type and balance, I loved her feminine expression and face furnishings, correct eye colour, strong neck leading to well placed shoulders, ample bone and standing on good feet. She had a good rib cage and length of loin, well muscled quarters and correct texture to coat. When asked to move she freely and with drive and purpose moved soundly and this ultimately won her the CC and BOB over her kennel mate. I wish her luck gaining her third CC, which surely can't be far away.

GB (1) 1st Twelveoaks Carolina Red (R Court) another bitch of quality and type, super head shape and expression pleasing reach of neck leading to correct shoulder placement, well bodied and moved freely holding her topline on the move.

PGB (6) 1 Holsan Lenti ( Bendikas), lovely type of bitch, up for size but so balanced. Another with a pleasing feminine expression and correct furnishings, enough bone and good feet, correct lay of shoulder and deep through the chest, well bodied, held her toppling on the move and moved very well 2 Adel Liliana ( Lewis), smaller type of bitch, with all the attributes for the breed, pleasing head and expression, enough bone, deep chest sort loin and well angulated, correct coat moved well, presented well. 3 Twelveoaks Carolina Red (Court)

LB (4,1) 1 Tragus Flirty Fox ( Richardson) this bitch certainly can move, super type with pleasing head an expression, enough bone and standing on good feet, correct depth of chest with super topline and tailset, harsh feel to a good coat, well handled 2 Oakberrow M'lady Gin ( Smillie-Gray), larger type than winner, stronger through the head, well bodied and correct coat texture, well placed shoulders and deep chest, moved well 3 Twelveoaks Crimson Delight (Court) OB (5,2) A super class and these three can change places at any time 1 Deifstock Desert Rose ( Cooper) Res CC, feminine headed bitch of quality and balance, strong neck leading to well placed shoulders, ample bone and neat feet. Deep through chest, short in loin with strong quarters and well turned stifle, correct wire coat and moved with purpose. 2 Sh Ch Tragus Honey Bee JW ( Upton) lovely bitch of pleasing type and balance. Correct head and furnishings, super fore chest and front, correct depth of brisket coat texture and angles, held her top line on the move and moved well. 3 Sh Ch Oakberrow Let The Fun Be Gin JW ( Smillie-Gray)
