1. Mrs R.D Summerfield – Miadsc Eternal Flame. Feminine head, good ear set framing head correctly. Elegant neck flowing into firm top-line and tail set coming off of slightly sloping croup. Moderately balanced all through. Moves Well. Delighted to award her BIS and BCC.

2. Mrs J Gough – Ambermoore Crazy Diamond. Good head, lovely. Soft expressive eyes. Good bone. Shown in hard condition. Moved OK.

Firstly thank you for all your entries. It is about four years since I last judged your breed. I felt coats had become more uniform. Tail sets good. Rear angulation not overdone. The only thing that persists is light eyes (in older dogs as well as young dogs) not all of the breed had light eyes, but too many for me not to mention it. Heads were good, ear sets good. Movement in general was okay, but in some cases handling could have been better.
