HUNGARIAN WIREHAired VIZSLA

Thanks to the exhibitors for a lovely entry. I was disappointed not to be able to judge the Association Championship show due to lockdown and have been looking forward to this appointment in one of my favourite breeds. I was pleased with the quality today, coats were generally good and I was thrilled to see my BOB was shortlisted in the group.

PD (4) 1 Elders' Enryb Pink Panther, a lovely class to start, headed by a very typical puppy of excellent quality. Well proportioned head, good furnishings. Good eye colour and intelligent expression. Balanced outline, moderate neck, clean shoulders, level topline and correct body proportions. Excellent strong quarters used well on the move where he kept his shape and moved true. 2 Tasker's Zoldmali Ezmi NAF (Imp Serb), different type to 1, masculine head, good forechest and depth of chest. Strong level topline, good width of thigh, hocks to ground short and straight. Good coat depth and texture. Very sound on the move with good drive. 3 Spillane & Spillane's Belatarr Kodiak.

JD (3) 1 Sweeney's Redrafi Mrembo Nacho, a class of differing types and maturity. Masculine dog, balanced head, moderate neck, good boned legs, correct feet. Strong body, deep chest. Moderately angulated hindquarters, straight hocks. Moved true. 2 Harris' Tullis Scott Fitzrovia Take A Chance, different type and fine all through.
