Hungarian Wirehaired Vizsla

DCC 257 - Ch Enryb Simply Red (Mrs J Byrne)

RDCC 267 - Fitzrovia Gideons Way (Mrs C T S Harris)

BCC 275 - Tragus Flirty Fox (Mr S Richardson)

RBCC 270 - Enryb Tickled Pink JW (Ms E Loynd)

BOB 257 - Ch Enryb Simply Red (Mrs J Byrne)

BP 273 - Ewtor Barking at The Moon (Mrs A E Moss)

It was a pleasure to judge this breed not having done so for 6 years. In that time I have noticed a vast improvement in type. Coat shows a vast improvement in type and colour. There is a large variance in coat colour but in general the soft coat was not apparent and now a good wire coat was presented.

1ST 273 - Ewtor Barking at The Moon (Mrs A E Moss) 11 month boy who for his age is sound in body. He has a strong neck leading into well laid shoulder. He is well constructed with a sound front, bone and feet. well bodied with correct set tail. He has a moderate turn of stifle with good angulation. Shown in good coat and condition. Pleased to award **BEST PUPPY IN BREED.**

2ND 271 - Ewtor Fly Me to The Moon (Ms A & Ms J Morton & Cameron) Litter brother to winner but overall I think he still needs more time to mature. Like his brother he has a clean neck and correct lay of shoulder. He has a well-set tail

88. Hungarian Wirehaired Vizsla - Junior Dog

1ST 260 - Farnfield Huntsmen (Dr A S & Mrs J C Davidson) Just rising 12 months of age this is another promising boy with time on his side but is in need of a bit more maturity. He has a very masculine head, correct shoulder with good depth of brisket. He is straight in front with good bone and feet. His movement was sound.

89. Hungarian Wirehaired Vizsla - Yearling Dog

1ST 268 - Fitzrovia Take A Chance (Mrs C T S Harris) Much to like about this boy. He is very sound with overall balance and is eye catching in profile. Lovely masculine head with well set ear and eye with colour blending with coat. He is well bodied with good depth and spring. He has a moderate turn of stifle with good muscling. He moved with drive and conviction.

90. Hungarian Wirehaired Vizsla - Graduate Dog

1ST 267 - Fitzrovia Gideons Way (Mrs C T S Harris) Pleasing in profile he has a well sprung rib although I would like to have seen slightly more depth. He has the best of fronts with good bone and slightly sloping pastern. Sound in overall body with good muscle tone and a well-set tail. Shown in good hard condition with a good wire coat. His movement was sound and effortless. Pleased to award **Res DOG CC**

2ND 261 - Throstlenest Helios (Dr A S & Mrs J C Davidson) This boy is built on slighter lines than winner and is shorter in coupling. He has plenty of depth with a good well sprung brisket well set tail with moderate turn of stifle. Shown in good coat lighter in colour than winner with a sound and solid movement.

93. Hungarian Wirehaired Vizsla - Open Dog

1ST 257 - Ch Enryb Simply Red (Mrs J Byrne) Rising 4 years of age this young lad for me has everything. He is a real eyecatcher and is so sound. He has the very best of fronts with excellent bone, feet and sloping pastern. His body was so sound with a wonderful depth and spring, correct body length with well set tail. He excels in muscle tone and has a moderate turn of stifle. His movement was sound impressive with purpose covering the ground well with plenty of drive and extension. Presented in in lovely hard condition with a perfect wire coat with depth. I had no hesitation in awarding him the **DOG CC and later BEST OF BREED**

1ST 270 - Enryb Tickled Pink JW (Ms E Loynd) A very beautiful girl with the best of heads with a soft feminine expression. She has overall soundness with a clean neck strong neck into well laid shoulder. Her front assembly was good with plenty of fore chest and the best of fronts. In profile she is sound and shows lovely balance. She has a lovely depth with well sprung rib good body proportions with a well set tail. She is well muscled with a moderate turn of stifle. Shown in lovely condition with a good rich wire coat and coat depth. On the move she was sound covering the ground well. This girl I am sure will have a successful future as she matures to her full potential. Delighted to award **RES BITCH CC**

97. Hungarian Wirehaired Vizsla - Yearling Bitch

1ST 275 - Tragus Flirty Fox (Mr S Richardson) A very pretty girl with great ring presence and an appealing expression, eye blends with coat. Good reach of neck which flows into a well laid shoulder In body she has overall soundness with a good depth and a well sprung brisket. She has good angulation and stands all square when view front and rear. Not a girl built with large stature but she has balance with good topline well set tail moderate turn of stifle. She is short from hock to heel. Her coat but has the required and correct wire texture. Her movement was true, effortless, covering the ground with ease it was a pleasure to watch. Pleased to award **BITCH CC**

2ND 258 - Deifstock Desert Rose (Mr W & Mrs S Cooper) Another sound girl shown in good coat and hard condition. Sound in all body departments she is well constructed with overall sound angulation. She has a good straight front with good bone and feet. On the move she was steady and true.
