Three years ten months better coated than the winner on the day with beard moustache and eyebrows on show excellent straight strong front solidly boned firm across the loins with good depth of body. Another very well constructed bitch presented in full dense harsh coat of pleasing length. 3 Rickman, Herlinga Henrietta.

LB (5,2) 1 Newton, Jaktays Vida. Two years three months on the smaller size for a bitch but complemented the dog CC in the challenge I considered displaying lovely feminine characteristics of the breed being most typical for breed balance in outline and the soundest mover in the entry on the day I considered. Some beard on display and sufficient evidence of a harsh well textured coat enhancing the body shape of the dog underneath. Very well angulated overall delightful kind alert expression with distant gaze strong bone compact thickly padded feet powerful muscled hindquarters with deep second thighs. Typical head and tail carriage as she drove around the ring well deserving of the BCC her second I understand. 2 Byrne, Aldozovgyi-Drotos Csermely at Enryb JW (Imp Hun) Twenty one months better coated on the day than the winner with copious beard and head furnishings harsh textured body coat dense and close lying lovely head finish on a young bitch moderate stop ears well set eyes well shaped and attractively coloured to enhance expressive

distant gaze. Another very well constructed exhibit but for me did not carry quite the body finish of the winner on the day and tended to move wide at the rear when not settled on the move. A worthy winner of the RBCC in the entry today with youth and promise on her side for even better things to come. 3 Richardson, Tragus Flirty Fox.
