

Crufts 2024 - Miss E W Newton

I was delighted to be able to judge this breed after the Covid set back. There was much improvement in coat texture and consistency of shape and size, congratulations to you all who have strived to make this happen.

VD (1) 1 Sh Ch Tragus Fox Appeal (Upton), well presented in lovely coat, good strength of bone, well balanced throughout, well set tail which was held correctly when moving.

PD (3) 1 Haywire Texana Vadasz Campbell), well put together with good strength of bone, pleasing angles fore & aft which he used well in profile movement. 2 Ilhan Z Talchejow Morganna (Imp Pol) NAF TAF (Newman), a well furnished head with correct eye, pleasing balanced angles, he just needs to come together to achieve the complete picture. 3 Kisdon It's A Cracker (Garstang), a little unbalanced in body shape at present.

JD (4,1) 1 Place Twelveoaks Goodwood Pippin (Court), well structured, lovely head & furnishings, correct length of neck into well laid shoulder, good return & strength of bone, standing on good feet. Well let down, straight hock & well held tail completed the picture. Moved soundly & with purpose.

RCC 2 Junetta Erno (West), lovely make & shape, well balanced angles, good Spring of rib & depth of chest. Close between 1 & 2 3 Lanspar Zsolt (Pearson), super head & ear but needed more body weight.

PGB (12,2) 1 Zoldmali Daru at Genlusa (Imp Srb) (Wearing), pleasing body shape, lovely head expression & ear set, pleasing strength of bone standing on good feet. Used rear angles well when moving in profile. 2 Karndor Tamas (Beardshall), pleasing depth of chest & spring of rib complemented the balanced angles. The tail carriage was a little off putting for me in profile movement. 3 Farnfield Pickpocket for Brightmeadow JW (Stephens), good tail set complemented the overall picture when stood. Coat a little soft in texture.

LD (6,2) 1 Zoldmali Ezmi (Imp Srb) (Tasker), well balanced throughout with elbows close to body. Good straight legs and depth of chest complemented the well held top & underline. 2 Ewtor Barking at The Moon JW (Moss), pleasing balance to angulation both fore & aft. Good strength of bone to body mass, moved with reach & drive. 3 Zoldmali Iszkiri at Cragvallie (Imp Srb) (Whiting), standing 4 square with correct head & eye, lovely coat texture, just a little long on leg for me.

OD (4) 1 Sh Ch Redrafi Mrembo Nacho (Lumasia), strength, substance & deportment all combined to make a complete picture. He used his angles well to move with reach & drive in profile and I could not deny him the CC. 2 Sh Ch Belatarr Kodiak (Spillane), a well balanced picture. Pleasing head & ear, well laid shoulder, good depth of chest, correct muscle tone throughout. 3 Belatarr Jupiter (Spillane), brother to 2nd, a little bigger in construction but just lost out on head shape for me.

Field Trial Dog (2) 1 Ch Zoldmali Szeles Morganna JW (Imp Srb) (Newman), good body mass to bone ration, correct muscle tone, lovely tail set, moved with ease in profile. 2 Zoltarous Lupinn (Dicker), has a better profile outline when moving than when stood.

Good Citizen Dog Scheme Dog (3) 1 Fitzrovia Gone with The Wind (Allison), the best make & shape in class with good coat, pleasing head & expression, moved with well held tail. 2 Sh Ch Miadsc Cast A Spell (Summerfield), similar in shape to winner but not quite the movement to & fro today. 3 Ewtor Fly Me to The Moon (Morton & Cameron), I would have liked a little more strength to rear quarters to enhance the picture.

VB (6) 1 Sh Ch Kisdons Custom Made (Edminson), in super condition with good bone and muscle tone, lovely body mass, a typical head, neck into well laid shoulder & return. Well held topline both standing & on the move. It was no effort for her to move round this ring and earned her both RCC & BV. 2 Sh Ch Tragus Honey Bee JW (Upton), unlucky to meet today's winner. With lovely coat texture she stands 4 square on good feet, has a lovely depth of chest & pleasing rear angles. 3 Ft Ch Vanda Zoldmali Canalgame's (Briley), a little taller than 1&2 but in proportion. I would have liked her to have carried a little more weight.

PB (5) 1 Kisdon Insignia (Mrs P Edminson), daughter of RCC winner with the same qualities. When settled she produced excellent footfall & deportment. 2 Miadsc Tropical Fizz at Kitrage (Bryan), good head & expression, good strength of bone and tight feet. 3 Redrafi Zuri (Lumasia), a lack of confidence marred an otherwise pleasing example.

JB (6,1) 1 Lanspar Zendaya (Pearson), just had the edge over 2nd as she moved with soundness & purpose. Super head, eye & expression & crest of neck contributed to her win. 2 Junetta Emilia (West), more substantial overall than winner but she has well constructed fore quarters, pleasing rear angels joined by a well held topline. 3 Lanspar Zarla (Pearson), well constructed if a little reluctant to be gone over. She won this place in soundness of movement. PGB (8,2) 1 Goldpaw Five to Midnight (Nokes), strode out well in profile using balanced angles to best advantage. Well constructed feet covered in correct hair texture. 2 Karndor Ada (Gibbons & Beardshall), well balanced throughout showing good footfall in profile. 3 Kutyahaus Szulo Angyals (Hunt), well laid shoulder & return complemented by balance of 1st & 2nd thigh.

LB (10,1) 1 Aldoovolgyi-Drotos Csermely at Enryb JW (Imp Hun) (Byrne), delighted to hear that she gained her title today. Well balanced throughout in good muscle tone covered in harsh coat she presented a typical picture of the breed. She moved soundly with drive & purpose and a well held tail. BCC & BOB2 Enryb Lily The Pink (Lewis), another in good coat with a correct depth of chest, a well held topline & underline both standing & on the move. Well presented & shown. 3 Kisdon Goldhill (Edminson), very easy profile movement which was indicative of correct construction.

OB (8,4) 1 Sh Ch Fassfields Like A Baroness (Riley), very well put together with lovely outline both standing & on the move. Her front assembly won her this class. 2 Sh Ch Enryb Tickled Pink JW (Loynd), lovely head & expression, good coat texture, good depth of chest and length of loin. Moved soundly. 3 Enryb Scarlett O'hara at Ewtor (Moss), good strength to rear angles with correct muscle tone. She moved with ease.

Field Trial Bitch (3) 1 Zoldmali Jodli (Imp Srb) (Briley), both fairly wide across the chest but 1st has a better strength of bone and conformation shape. 2 Zoldmali Hope of Zoltarous (Dicker), unfortunately the high set tail does not help her appearance in the show ring, although I'm sure it is not detrimental in the field. Special Working Gundog Bitch (2,1) 1 Sh Ch Deifstock Desert Rose (Cooper), well balanced fore & aft, pleasing head & expression, well held topline & tail set. Moved soundly.

Good Citizen Dog Scheme Bitch (4,1) 1 Hazean Donetsk to Deifstock (IKC) JW (Cooper), moved soundly & with purpose. Pleasing length of neck into well laid shoulder. Enough harsh coat covering loin and well let down hocks. 2 Brynffrwd Penarddun (Mesurier), good feet & rear angles, sweet head & expression. 3 Miadsc Tropical Sunrise (Summerfield), a little lacking in coat texture but her tail. Carriage lets her down in profile.
