

BORDER UNION - 2024

HUNGARIAN WIREHAired VIZSLA

Thanks to the Officers and Committee of Border Union for giving me the opportunity to judge what has to be one of my favourite breeds to judge. Having been involved with the breed for over 30 years I was so pleased to be able to find what I was looking for in my winners. Thank you to everyone who brought their dogs for me to go over. **PD** (1) 1. Rose Deifstock Drunk In Love. Well put together youngster, still has some maturing to do but he is nevertheless one to watch for the future. Masculine head with correct balance, very typical expression. Clean through neck, decent layback of shoulders. Enough bend of stifle. Tight arched feet. Coat developing as it should at this age. Not giving of his best on the move today but I saw enough to award him. **JD** (2) 1. Rose Deifstock Drunk In Love, repeat 2. Rooney Fitzrovia born to Be Wild. Very appealing masculine head, neck clean, muscular with slight arch. Good return of upper arm, straight front with elbows well into chest. Chest well let down. Hindquarters developing muscular tone. Moved out steadily. **YD** (1) 1. Rooney Fitzrovia born to Be Wild, repeat. **GD** (3) 1. Rooney, Fitzrovia born to Be Wild, repeat. 2. Davidson, Farnfield Huntsman. Sound through body, straight front, shoulders well laid, chest deep, ribbed well back. Strong muscular rear quarters. Moved well. **OD** (4,1) 1. Spillane, Sh Ch Belatarr Kodiak DCC. What a stallion of a dog this is, everything about him shouts HWV male from his size, coat and conformation. He has the most masculine of heads, broad over skull, correct skull to muzzle ratio, broad nose, the most kind expression. Arched muscular neck, enough layback of shoulder. Body well proportioned, topline level. Chest deep, hindquarters muscular with decent bend of stifle. Tight oval feet. Has the most glorious double coat, just enough facial furnishing to complete the picture. His movement is without doubt, ground covering. 2. Allison, Fitzrovia Gone With The Wind RDCC. Thought this dog was very appealing, very kind expression, good straight in front, elbows carried well into chest. Excellent return of upper arm, balance through body, chest well down, decent spring of rib. Muscular hindquarters, straight with enough bend of stifle. He moved on exceptionally sound stride. 3. Lumasia, Sh Ch Redrafi Mrembo Nacho **PB** (1) 1. Cooper, Deifstock Dare To Dream BP/RBCC. Everything to like about this baby, she is just the most lovely HWV. From head to tail she just oozed breed type and for me there is nothing I would want differently at this point in time. Her head is the most feminine, well proportioned, skull with enough width, slightly rounded, kind expression, lovely set on of ears. Arched neck into well laid shoulders. Sound through body, chest well let down. Hindquarters developing, tight oval feet. She has confidence on the move, her stride, ground covering and true. **JB** (3) 1.
