

PAIGNTON CH SHOW
Hungarian Wirehaired Vizslas

SB D/B (1) 1 Swann's Zoltarous Wasabi for Dhalascar, very typical 2 year old who moved very soundly on well boned legs & feet, lovely coat of the correct texture, masculine head & expression, good neck & shoulders, strong topline held on the moved & set up, well set & carried tail, good depth & width of ribcage with a strong loin & good hindquarters. Best SB.

PD (0) **JD** (2) 1 Campbell's Haywire Texana Vadasz, masculine dog of a good size & outline, correct coat which was well presented, lovely head & expression with a good eye & well set & carried ears, nice neck & shoulders, good topline & tailset, good bone & feet used to advantage to cover the ground with purpose, a typical dog who is quality; 2 Coulbert's Starshot Minority, still young & today played his owner up but when they both settled he looked better, coat still needs to mature & finish, nice head & expression, good topline & tailset, well muscled hindquarters. When he learns his trade, I am sure he will make a better picture, persevere because he is worth it, he is very typical & just needs time. **YD** (2) 1, 2 repeat. **PGD** (2) 1 West's Junetta Erno, mature, balanced masculine dog of a good type, he is well coated of the correct texture & is well presented. He has an excellent head & expression with a good eye & well set & carried ears, good strong topline with a well set & carried tail, well muscled hindquarters, all used to cover the ground with ease & purpose with excellent head carriage, with maturity will trouble the best for he is quality & a very good type. **RCC**; 2 Z Wasabi for D. **LD** (2,1) 1 Beardshall's Karndor Tamas, mature, well coated dog who is balanced & a nice type who moved soundly on well boned legs & feet, carrying a good topline & a well set tail, coat is of the correct texture & he is balanced, alone but I am sure can win in good company. **OD** (4) 1 Spillane's Sh Ch Belatarr Kodiak, no wonder he appealed, I have admired this affix for years & always done it well! He is a nice type who moved well to cover the ground with ease yet determination on well boned legs & feet, he is balanced & quality with enough coat which has the correct texture & well presented, good strong topline with a well set & carried tail, well muscled hindquarters, he is masculine with a good head & expression with a correct skull & ear set, lovely neck & shoulders, showed to advantage to take the CC; 2 Moss' Sh Ch Ewtor Barking At The Moon JW, this balanced boy was well presented, he is very typical & very well made, coat of the correct texture, masculine head & expression with the correct eye & ear set & skull, good neck & shoulders, today he was slightly wide in front & knuckling over but he is very masculine in outlook, there was no mistaking his sex, good topline & tailset with a lovely hindquarters, excellent profile movement; 3 West's Junetta Dorjan. **VD** (1) 1 Spillane's Belatarr Jupiter, this seven year old belies his age, looks so well for his age, what a lovely type who is so balanced & very masculine in outlook, in good coat & condition, excellent topline, tailset & hindquarters, he has a masculine head & expression with a good neck & shoulders, good ribcage & he moved so well despite being on his own, he deserved his win.

PB (1) 1 Newman's Enryb Orange Sunset, what a naughty puppy who made me smile with her antics! She has so much potential for 9 months of age she has everything going for her. Good coat & condition for age and when she settled she moved well, if just as a puppy should when she tried, I couldn't resist her, although the only puppy entered, she would have won anyway for she is quality & a good prospect for the future. **JB** (2) 1 Reed's Cuffnells Sweet Dreams, this sweet bitch was put down in excellent muscular condition, she is an excellent bitch of a lovely type, so well proportioned from her excellent feminine head &

expression through her strong topline to her well set tail, in excellent coat which was well presented, she has a good depth of chest with a strong loin, when she moved she just powered round the ring with such determination yet style, really using her correct forequarters & hindquarters to really cover the ground & this really let you know that she could do a day's work with ease. CC & BOB; 2 Pryer's Fradaikée Private Dancer, today she was a bit hesitant, perhaps she is coming into season? but she is well worth persevering with for she is worth it. Nice type who is well made & balanced, in good coat & condition, pretty head & expression, shame she was a bit shy as it doesn't help her when she is set up or moving for she wasn't happy. When she settles I am sure she will do OK. **YB** (2) 1 C Sweet Dreams. **PGB** (1) 1 Briley's Cibi Budafa at Canalgame (imp Svk), this 2 year old still needs to finish & tighten up in elbows, coat still to come but what she has is OK, correct head & expression with a good eye & well set & carried ears, she is balanced with good legs & feet, correct topline & tailset, moved OK up & back but better in profile. Alone but she is typical. **LB** (2) 1 Beardshall & Gibbons' Karndor Ada, well coated, balanced bitch of a good type, well made & the coat was of the correct texture & presentation, feminine head & expression with a correct shaped eye of a good colour with a well set & carried ear, correct neck & shoulders, strong topline & well set & carried tail, good hindquarters, she is well muscled all through & moved so well on good legs & correct feet; 2 Revell's Haromsag Lady Tucszi, interesting bitch who is now 6, today was not holding her topline & she needs coat to complete the picture, pretty head & expression, moved OK when she settled, she is balanced & a nice type. **OB** (2) 1 Lewis' Enryb Lily The Pink, this bitch was looking good, she was balanced & an excellent type, she has an excellent coat of the correct texture & well presented, feminine head & expression with a correctly coloured eye & well set & carried ears & a good skull, her head is balanced & typical, correct neck & shoulders, strong topline held set up & moving, good tailset & well muscled hindquarters, when she moves she comes alive, you could see her working. RCC & when she moved round the ring with the BCC, I was thrilled to see them together; 2 H Lady Tucszi. **VB** (1) 1 Upton's Sh Ch Tragus Honey Bee, one I have admired before & I can't believe she is a veteran, she is so fit & active & when she moves she belies her age & she comes alive, put down in excellent coat & condition, the coat is of the correct texture, at 8 she is a credit to her owners/breeders, she can hold her own with all. Loved her head & expression, she is so feminine & so balanced, typical of the breed & I was pleased to see her again, thank you. BV.
