HUNGARIAN WIREHAired VIZSLA

MPD (1) 1 Redrafi Mutai with Noreaster (Hamilton) Typical puppy with good potential. Excellent boned and good feet. Balanced head, Kind expression with eyes of good colour. Clean shoulders, level top line held on the move. Moderate rear angulation with good bend of stifle, correct width of thigh and straight hocks to ground. Coat of good texture. Moved freely in profile. **BP PD** (1) 1 Redrafi Mutai with Noreaster (Hamilton) **BP PGD** (4) 1 Twelveoaks Goodwood Pippin (Court) Very varied class. I considered 1 to be the most typical in outline and in the move. Good head and eye colour. Good boned legs, chest reaching down to elbows and ribs reaching back to short loin. Sound on the move with good drive from the rear holding his level topline. 2 Kisdon It's A Cracker (Garstang) Eyes of good colour showed typical expression. Straight legs, adequate depth of chest. Moved soundly once settled, but needs to settle when standing. Coat ok. 3 Haywire Texana Vadasz (Campbell) **LD** (2) 1 Junetta Erno (West) Preferred his more typical outline and rear regulation over 2. Typical and masculine dog with eyes of good colour and alert expression. Stands over a good front with correct depth of chest and ribs reaching back. Strong level top line held on the move, he has a good bend of stifle, width of thigh and hock S short and straight to ground. Moved soundly keeping a typical outline on the move. Good coat texture and colour. 2 Zoldmali Ezmi (Imp Srb) (Tasker) Quality dog with a balanced head, eyes of good colour and typical expression. Good boned straight legs and correct feet. Level top line and good depth to chest. Ok rear angulation. Moved soundly but not with the drive of 1. Good coat texture. **OD** (4) 1 Sh Ch Belatarr Kodiak (Spillane) Very honest masculine male, typical in outline for the breed with balanced proportions and level topline. Balanced head and eyes of good colour. Strong neck, stands over a good front with excellent depth of chest and ribs reaching back to short loins. Level topline held on the move where he is free and sound. Balanced rear moderately angulated, good width of thigh and straight hocks to ground. Moved soundly and true down and back, well capable of a days work in the field. I was pleased to award him the DCC and BOB. 2 4081 - Sh Ch Ewtor Barking at The Moon JW (Moss) Quality young dog of good type. Balanced head, good neck, correct depth of ribs and level topline. Good boned legs and correct feet. Plenty of angulation behind, short hocks to ground, Moved freely with drive. More open coat than 1 of good texture. **RCC** 3 Sh Ch Redrafi Mrembo Nacho (Lumasia) **VD** (1) 1 Belatarr Jupiter (Spillane) Typical and sound, a little on the heavy side today. Lovely head and eye colour, good balanced outline with correct length and strong topline. Excellent depth and reach of ribs. Strong rear, short hocks to ground, Moved true, coat of excellent texture. **Special Beginners D** (1) 1 Kisdon It's A Cracker (Garstang) **MPB** (2) 1 Redrafi Obiri (Lumasia) Pretty puppy of 6 months, balanced head and lovely eye colour for age. Good boned straight legs and feet and should make correct medium size. Coat of good texture and colour. Excellent rear with good width of thigh and short straight hocks to ground. Moved freely. 2 Kenleap Golden Girl (Withington) Feminine puppy with lots of promise. Would benefit from ringcraft to show her promise. Pretty head, balanced ed with good eye colour. Balanced when relaxed with correct topline. **PB** (1) 1 Redrafi Jelimo (Lumasia) Promising puppy with excellent free movement. Correct head, typical expression. Standing over a good front, balanced bone and correct feet. Good depth of chest and ribs reaching back, well built rear, Moved freely. Clearly a very promising litter. **JB** (3) 1 Fradaik Private Dancer (Pryer) 1st 2 had

similar qualities. Preferred outline and body length of 1. Balanced head and good eyes. Better depth of chest and ribbing than 2. Correct width of thigh, short hocks to ground. Coat texture ok, Moved freely. 2 Kensesqui Japan (Spavins & Senior) Similar remarks to 1, not as deep in chest. Straight good boned legs, moderately angulated rear. Moved freely holding outline. 3 Miadsc Tropical Fizz at Kitrage (Bryan) **PGB** (4,2) 1 Redrafi Zuri (Lumasia) Balanced quality bitch. Correct head and eyes of good colour. Strong neck, good depth and reach back of rib. Strong level topline held on the move. Excellent rear angles, hocks short and straight to ground. Moved with rear drive and good front reach. Coat of correct texture. 2 Zoldmali Pipacs of Zoltarous (Imp Srb) (Dicker) Rangier bitch, without the depth or angles of 1. Good head and eye, good boned legs, strong level topline, good width of thigh, sound moving. **LB** (2) 1 Bardantop Witchway Benmorbry (Connolly & Guest) Very different bitches, preferred body and ribs of 1. Moderate and balanced bitch with good eye and expression. Clean neck, adequate boned legs, level topline, well muscled rear, short hocks to ground. Moved soundly, coat of good texture. 2 Dolgos Nimrod Ohaj for Elfrindew (Yates) Good sized bitch, needs to body up, typical head, eye and expression. Good width of thigh and short hock s to ground. Moved with animation, longer coat than 1. **OB** (3) 1 Sh Ch Enryb Tickled Pink JW (Loynd) Quality bitch of medium size and balanced throughout. Good head proportions with eyes of good colour and alert expression. Strong neck, excellent forechest and good forearm angulation. Correct depth of chest, ribs reaching well back. Good boned straight legs and correct feet. Level topline, Moderately angulated rear with good width of thigh and short hocks to ground. Free and sound moving with reach and drive. BCC 2 Sh Ch Jaktays Vida (Newton) Different type of bitch, good quality and medium sized with balanced. Typical head, good front and depth, strong level topline held on the move. Short hocks to ground. Moved true and freely, good texture to coat. 3 Redrafi Narok (Lumasia) **VB** (1) 1 Aldozovolgyi-Drotos Nyuzsgo at Enryb JW (Imp Hun) (Byrne) Lovely type of bitch and of correct size. Excellent boned legs, good feet. Strong level topline held on the move. Good rear, correct turn of stifle, width of thigh and short hocks to ground. Quality coat with good texture.
