I would first like to thank the HWVA Committee and membership for inviting me to judge this wonderful breed. My association with the breed started over 20 years ago, and remains close to my heart. I thoroughly enjoyed my day judging the open show at the Royal Kennel Club buildings, the atmosphere ringside was warm and supportive – a real pleasure to be part of. I would especially like to thank; my lovely steward on the day Rita Cemis for keeping us in order and ticking along very nicely. In addition, all of the exhibitors who entered under me, and stayed after the Championship show, making it a long day. I had the privilege of going over some real quality exhibits. Mpd (2) 1. Whitworth's Twelveoaks Hot Red Toddy, 6 mnths. Didn't this young man enjoy his

day! His head is of correct proportions with nose and eye colour harmonising with furnishings which gave an almost square appearance.
