1st Sh Ch Ewtor Barking at The Moon JW (Mrs L J Moss) Fabulous head and expression, moderate stop, medium set ears, lovely facial furnishings giving it the somewhat square striking appearance. Well muscled neck and well made front assembly. Plenty of heart and lung room,

level topline, good finish to croup, moderate bend of stifle and stands over plenty of ground. Harsh close fitting coat. Held his shape well on the move but in the challenge he didn't give his all.

2nd Sh Ch Belatarr Kodiak (Mr D & Mrs J Spillane) Masculine head with dark eye and fine well placed ears. Would like a bit more reach of neck. Good lay of shoulder and plenty of depth to chest. Moderate ribs and bend and stifle. Super hard coat. Carried himself well on the move and covered plenty of ground but a little close behind.

1st Belatarr Jupiter (Mr D & Mrs J Spillane) 8 years and all male but without any coarseness. Handsome well proportioned head, ears medium set and fine. Good over neck and shoulders with plenty of depth to chest, straight front. Level topline and slightly sloping croup. Well ribbed up and firm in loin, well developed thighs. Harsh close fitting coat. True out and back just not as fluid behind today. I liked his type and substance but he was carrying a tad too much weight.

1st Zoldmali Ezmi (Imp Srb) (Mrs A L Tasker) I liked his head and expression, good brows and correct eye shape. Arched neck, well placed shoulders, enough depth but stands a but wide in front. Moderate spring of rib but shorter therefore longer in loin than ideal. Level back, moderate bend of stifle, in hard condition. Carries himself well on the move but could be tidier in front action. Good coat texture.
